

School-aged childcare provided on school premises?

Yes

The Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020 apply, as per the The Healthy eating in schools: guidance 2020 document.

When there is a school inspection by HMIE, and HNI on team, they will inspect any food provision provided by the SACC service.

HNI offer feedback & support on the day and may include a follow up email with resources and comments for improvements.

Feedback will be included in the overall HNI report that is sent to the school and local authority.

Significant concerns would be raised with the appropriate partner agency.

No

Healthy eating in schools: guidance 2020 document may or could be used to support you to meet the Health and Social Care Standards, including:

- 1.33 I can choose suitably presented and healthy meals and snacks, including fresh fruit and vegetables, and participate in menu planning.
- 1.39 I can drink fresh water at all times.

“The Care Inspectorate will inspect school age childcare services as normal, regardless of whether the setting is based within school premises or other accommodation.”
