## **Out of School Care Workforce Survey 2020**

Participating in this survey helps us gather statics and gain a better understanding of the issues facing the out of school care (OSC) workforce- we need individual staff members to participate. The survey takes 5 – 10 minutes to complete. Once filled in, return to: SOSCN, Floor 4, 41 St Vincent Place, Glasgow G1 2ER by **31/01/2021.** 

In addition to the usual questions, we are asking some about the impact of the COVID pandemic on the workforce. We understand if you prefer not to answer some of the COVID questions however all answers are treated in strictest confidence and anonymised in the final collated results.

Only one survey per individual should be completed: either the hardcopy or the online version that can be found here: https://freeonlinesurveys.com/s/31UfC7SP#/0
