

## Out of School Workforce Survey 2022

Our survey has been conducted annually for more than 13 years and it is the definitive information and data resource about the out of school care workforce in Scotland. Past results can be found here:

<https://soscn.org/policy/research>

In this survey we are looking at pay and conditions, wellbeing, and qualifications. All answers are treated in strictest confidence and anonymised in the final collated results.
